

Kick-off Meeting

“Medicinal Chemistry of Selective GPCR Ligands”

November, 21th, 2013

Institute of Biochemistry, Fahrstrasse 17, 91054 Erlangen

Program:

- 14:00** **Introduction**
- 14:20** **„Small is getting big in GPCR MedChem “**
Prof. Dr. Rob Leurs, VU University Amsterdam
- 15:10** **„Peptide Drugs to Target GPCR – State of the Art and Innovative Applications “**
Prof. Dr. Annette Beck-Sickinger, University Leipzig
- 16:00** Coffee break
- 16:30** **„Tools for GPCR targets“**
Prof. Dr. Christa Müller, University Bonn
- 17:20** **„Targeting Neurotensin Receptors to Treat Neuropsychiatric Disorders: Rewards and Risks.“**
Prof. Dr. Elliott Richelson, Mayo Clinic, Jacksonville, Florida
- 18:10** **Closing remarks**
- 18:15** **Barbecue or similar event**
